Dear Parents/Students

As per the request of students for opting additional SIXTH SUBJECT, along with five (Main and Optional) subjects, the school is providing various subjects that can be taken up by the students.

PLEASE NOTE:

- The Additional Subject provides a buffer to the students and can be replaced with a main subject (except for language) in class XII.
- A student will be able to continue with the Additional Subject in Class XII, only if he/she passes in that subject in Annual Examination of Class XI.
- The online/ offline classes will not be available for the additional subjects being opted by the students. However, the teachers' support may be available with respect to notes, assignments, sample papers etc.
- Also, please note it is not mandatory to opt for an additional subject. However, IT IS CERTAINLY ADVISABLE, IN THE INTEREST OF STUDENTS. Please check the CBSE Rule in this context:

“If a student has taken 6 subjects, and if he/she fails in any one of first five subjects, the same will be replaced by the 6th subject provided the candidate satisfies the scheme of studies i.e. after replacement either Hindi or English remains as one of the five subjects.”
