

**D.A.V. CENTENARY PUBLIC SCHOOL, PASCHIM ENCLAVE, N.D.-110087**

Dear Parents,

With the digital revolution in full swing, the world of education is not untouched by its benefits and boons. It gives me immense pleasure to inform you that the school will now use a new **Mobile Application 'Snap Homework' to communicate with the parents. This is a free mobile application.** This application will enhance parent-teacher communication while supporting an e-learning initiative to reduce the use of paper. Parents will receive **classroom updates, homework, worksheets, circulars, class activity/event updates and messages from the teacher** through this application.

The instructions to download the app are as follows:

**Parent / Student registration instruction for new users:**

1. Go to **Google Play Store / App Store** and Search "**Snap Homework**".
2. Install and open app.
3. Tap on '**New User**'.
4. Tap on '**Parent**'.
5. Enter Your **Name, E-mail or Mobile Number & Password**.
6. Tap on '**Create Account**' button.
7. Enter **Child Name** and **Class Code** and tap '**Add child**' button.
8. Tap on '**Done**' on top right corner of your screen.
9. Now you will see all classroom updates in '**Activity**'.

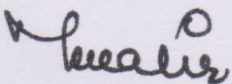

**YOUR WARD'S CLASS CODE IS \_\_\_\_\_**

You are requested to download the app as soon as possible. Parents need to sign-in only once. Both parents are requested to **DOWNLOAD** this **FREE** app on their phones for free and timely communication. If you face any problem in installing in the App, you can contact the Snap Support team through mobile/ Email.

A demo of the installation process and the uses of the app will be given to all students in their Computer period, so that they can help the parents to install and use the app.

i hope that this digital endeavour will go a long way in strengthening the link between parents and teachers for the benefit of the children.

Have a smooth and useful app-experience,

Manju Malik  
Principal
