Dear Parents

The school is concerned about the safety and security of the students going to **KIDZANIA** on **19 September 2017** (Tuesday). We have deputed responsible and efficient staff members with the students. There is one teacher for every 13-14 children. A trained nurse is also accompanying the students. There are safety and first-aid arrangements in the buses. The safety of our children is our topmost priority. We also request your co-operation for the same.
