

D.A.V. CENTENARY PUBLIC SCHOOL, PASCHIM ENCLAVE, NEW DELHI - 87

Dear Parents

March 2017

A very warm welcome to our affectionate and close family - unit called –

DAV Centenary Public School, Paschim Enclave!

This institution is like a large shady tree – its roots strongly anchored underneath by the ideals of the ancient Vedic Heritage of India and its branches swaying free in the breeze of modern liberal education. That explains its name – DAV (Dayanand Anglo Vedic). In its spread, it holds a countless number of budding shoots, blossoming flowers and fruiting seeds – a promise for future.

With your induction into our premises, we look forward to a cooperative and healthy relationship in the years to come.

Our school works tirelessly towards providing our students with quality education, learning and knowledge. Besides the curriculum, we offer a platform to groom the qualities of the head and the hand, in addition cultivating a sound heart and a charitable soul to ensure overall holistic growth of a child's personality.

So, wishing you an enjoyable journey of exploration and adventure ahead!

The new session will start on April 01, 2017. The school timings are from 8.00 a.m. to 2:10 p.m.
