

DAV CENTENARY PUBLIC SCHOOL

PASCHIM ENCLAVE NEW DELHI-87

CLASS 5

HOLIDAY HOMEWORK 2022-23

English

1. Make a menu card:
Healthy food is important for a healthy body and mind. Create a menu card for a restaurant publicising a variety of salads and other healthy food dishes.
The menu should have a few healthy starters, juices, salads, sandwiches etc. On the cover of your menu write the name of your restaurant, address, contact number, and a catchy slogan.
2. Have treat without heat:
Prepare 3 recipes for your restaurant with locally available ingredients. List all the ingredients and procedure to prepare your delicious food. Don't forget to get yourself clicked while preparing the dishes.
Write the dialogue conversation while your parents order food from your restaurant.
3. "Reading is to mind what exercise is to the body"
Reading activates our mind, cultivates imagination, enriches our thought- process and provides us endless knowledge. Therefore it is essential to invest our leisure time in reading books.

Pick up The Adventures of Tom Sawyer by Mark Twain to know Tom and his friends:
Day1: Design a theme page based on Monday morning blues.(It contains chapter's name, author's name and an illustration)
Day 2: Write the summary of the story and name of the main characters.(You may draw or paste pictures of the characters)
Day 3: Find 10 adjectives that suits the characters.
Day4: Write an antonym and a synonym for each adjective.
Day 5: Write meaningful sentences using your enhanced vocabulary.
Pat your back, you truly deserve it.

All the work given above should be done in a scrap file.

THEME TO BE EXPLORED IN THE PROJECT :

'AZADI KA AMRUT MAHOTSAV' - 75 YEARS OF INDIAN INDEPENDENCE

As India is going to complete 75 years of its independence this year, 'AZADI KA AMRUT MAHOTSAV' is a commemoration of 75 years of India's Independence. This Mahotsav is a festival of awakening of the nation; a festival of fulfilling the dream of good governance; and the festival of global peace and development. Like the history of the freedom movement, the journey of 75 years after independence is a reflection of the hard work, innovation, enterprise of ordinary Indians. India is still moving forward by strengthening democracy. India, rich in knowledge and science, is leaving its mark from Mars to the moon.

In your project work given below, you will be exploring and researching the above theme.

India has a large, insatiable appetite when it comes to its delicious food. What Indians love even more than their food is the drinks that accompany them. It's that time of the year when our body craves some flavourful hydration and all we want to do is to gulp down cold drinks.

But this summer, try stirring up some traditional Indian chillers and street drinks instead of guzzling the bottled beverages available in the market.

Students are required to make a project report on “Summer street drinks” comprising the following information.

- Information about any five street drinks prepared in different parts of the country.
- Nutritional value of these drinks.
- Out of these five try your hands at any two of them at home.
- Click your pictures while making and enjoying the drinks with the family.

Note : Project report must be supported with pictures.

- मूल्यांकन बिंदु - प्रस्तुतीकरण, रचनात्मकता एवं मौलिकता

Mathematics

Foodie Delight

You are opening a fast food corner along the roadside. Put your Mathematics skills as you keep track of expenses for setting up your store as well as the sales you make.

Task 1 : The shop will be called _____.

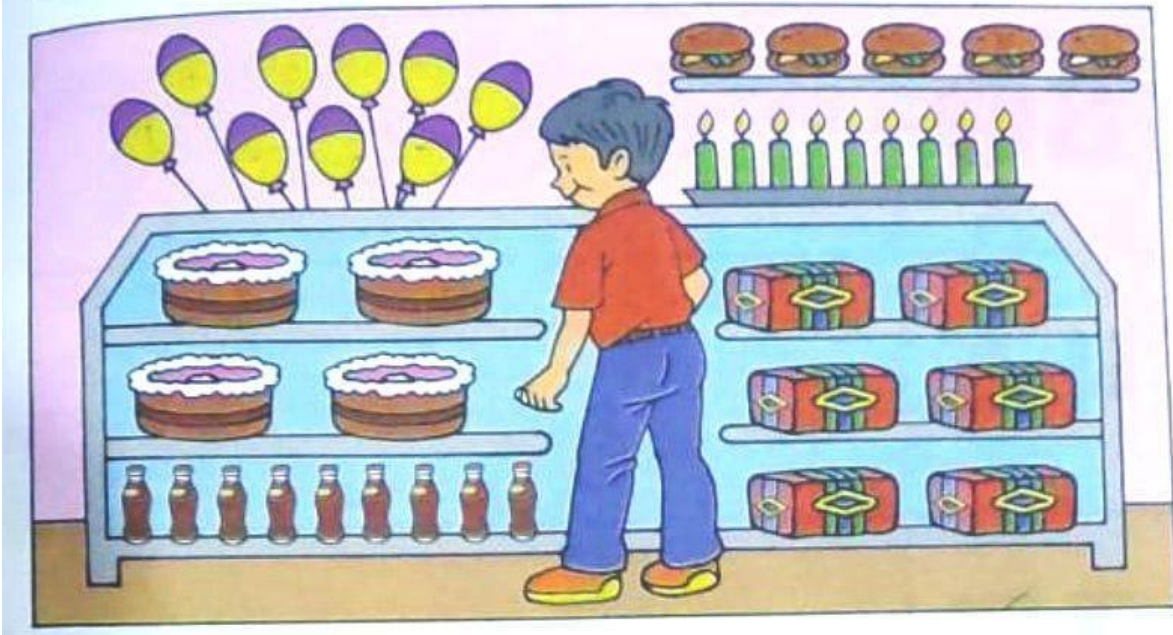

Task 2 : You will need to buy chairs and tables so your customers can sit down to eat. The tables cost ₹ 1325 each and chairs cost ₹ 785 each. How much would you spend on buying 26 tables and 45 chairs?

Task 3 : If on each table 6 people can sit, How many tables will you need for 186 customers ?

Task 4 : You will need to hire workers to run your shop. You need to hire 8 people to work at your shop. Your budget for paying each of your workers is ₹ 1250 per day. How much would you pay to all if they were all working 30 days in a month? Write the total amount so obtained in Indian as well as International System

Task 5 : The dimensions of your shop are 28m and 16m ,How much area will it cover ?

Task 6 : Make a pictograph of the items available in the image enclosed.

Note: Do the above tasks on A-4 size sheets.

Social Science

1. Prepare a Project, Comparing the food habits of the people of Rajasthan with Andaman and Nicobar Islands.
Azadi ka Amrit mahotsav
2. Design a badge to celebrate 75 years of Independence.

Sanskrit

- 1 दशखाद्यपदार्थानां संस्कृते नामानि लिखत – चित्र सहितम् (A4 SIZE इत्यस्य पत्रे)
- 2 प्रदत्तकार्यप्रपत्राणि कुरुत ।

Computer

- Look around your house and click pictures of hardware devices that you see. Paste them on a sheet of colored A4 sized sheet and write their uses .
- Create a collage on Input and Output devices on A4 sized colored sheets.
