

JOINING HANDS AGAINST DENGUE

With the aim of sensitising the students and the masses about the health hazards of the deadly disease DENGUE and to encourage them to take an earnest step to combat the risks involved, a special Dengue Awareness Campaign was launched by DAV Centenary Public School, Paschim Enclave on 11 July 2013. A Special Assembly was also organised on the day wherein students participated actively to spread awareness about the disease. . Students expressed their views in the thought inciting speeches and performed a stirring skit to highlight the nobility of the cause. A rally was flagged off by the Principal of the school. Students vociferated slogans in and around the vicinity of the school voicing their concern. Free pamphlets were also distributed to the passers-by to expand the consciousness about the preventive measures of the dengue .School has been leaving no avenue unexplored to carve the students into alert and responsible citizens. With this aim a special workshop on 'Dengue Awareness' was conducted by the Medical Officer of the school, Dr. Anshu Asri .The workshop encouraged the students to adopt healthy lifestyle putting emphasis on – ' PREVENTION IS BETTER THAN CURE'.

The campaign turned out to be a successful initiative with the students and teachers joining hands to fight the disease.
