

Exclusive Excursion

"Learning should be a joy and full of excitement. It is life's greatest adventure."

As a part of its innovative curriculum, DAV Centenary Public School, Paschim Enclave organized an excursion to "**Azad Hind Gram**" near Tikri Border on **Tuesday, September 23, 2014** for the students of classes Pre School & Pre Primary. The camp is 'a home away from home' which aims at creating awareness among the children about the worth of natural resources.

The fabulous folk dance form 'Kachchi Ghodi' welcomed the cluster comprising energized kids and teachers. Peppy Puppet show and Potter's wheel enthralled the petite ones.

The magical tricks shown by the magician lured them up to the brim. They were ferried into the entire village on bullock carts and camels. Dancing on their favourite peppy numbers, they thoroughly relished the exclusive experience.

Such educational outings not only foster self reliance, physical fitness and compassion for others in the children but also act as a supplement to the academic curriculum of the school.

These adventure camps inculcate a wave of rejuvenation, making them fresh and harmonizing their energy.
