SCIENCE

How can Science contribute to 'Skill India' ? Following example can be taken to justify.

- a) LSSSDC (Life Science Sector Skill to Development Council) contributes to skilled manpower in pharmaceutical industry.
- b) Digital India –Skilled man-power in IT is required to manage all areas of economic development .
Discuss how Digital India will accomplish this goal.

Note:-Other examples can also be taken.

MATHEMATICS

Consider the following list of sectors of Skill India 1) Leather 2) Agriculture 3) Telecom 4) Beauty & Wellness 5) Gems & Jewellery 6) Handicrafts & Carpets 7) Health Care 8) Media & entertainment 9) Entrepreneurial Skill 10) Food Processing-cold chain-refrigeration .

Collect the following information for any 5 sectors from the above list:

1. List of partners available for each selected sector (at least 7)
 2. No. of trainees in past 10 years by each partner
 3. No. of centres of each partner
 4. Total project cost of individual partners
- Task 1: Calculate the number of trainees in each sector and draw its pie-diagram. Analyse the result.
 - Task 2 : Draw 5 histograms for the no. of centres of partners for each sector and analyse the result taking the class-size of 50.
 - Task 3 : Draw a bar graph of total project cost of each sector and analyse the result.
