HOLIDAY HOMEWORK 2019-2020

Class X

Dear parents

The summer break is round the corner and this is the time for kids to revive, refresh and rejuvenate their energies. This is the time for them to indulge in new activities, research, explore and experiment with skills that will groom their personalities qualitatively. During this break,

1. Do not let the child waste the morning hours. Teach them to get up early and go for a nature walk. They can enjoy an afternoon nap/siesta later on.
2. Allow them to play outdoors (morning/evening), get hurt and get dirty. It's okay to fall down and experience a little pain once in a while. Make them strong and bold.
3. Help them to plant at least one sapling and take care of it or adopt a tree and water it every day.
4. Get some story/comic books for your child and let them read during the long afternoons.
5. Keep away from TV, mobiles, computers for long hours. They waste creative energies of the child.
6. Avoid giving chocolates, jellies, chips, cakes, aerated drinks and fried snacks to your child.
7. Teach them to prepare/cook their own healthy snacks, salads, lemonades, shakes at home.
8. Encourage them to do little household chores themselves - lay the table before meals and clean them after meals, refill water bottles, water the plants, dust the furniture, put utensils in the sink, fold the clothes, arrange their cupboards, clothes, bookshelves etc.
9. Spend some quality time with your child every day. Talk about your own childhood, home, friends, relationships, dreams, God, good habits, patriotism, honesty, truth, respect for women, love for all creatures etc.
10. Inspire your child by giving examples of role models, great personalities etc.
11. **DO NOT DO YOUR CHILD'S HOLIDAY HOMEWORK.** It has been designed in an inter-disciplinary manner to help your child probe, explore, research and learn while doing. Let the child engage in this wonderful and exciting learning experience himself/herself. Just arrange the resources required by the child to complete the activities.

English

1. Read a novel/book of your choice. Prepare a book review with an attractive book cover using the following points:
 - h) Genre of the novel
 - i) Setting of the novel
 - j) Main characters – a brief description
