HOLIDAY HOMEWORK SESSION: -2020-2021 CLASS: III

Dear Parents,

The summer break is round the corner and this is the time for kids to revive, refresh and rejuvenate their energies. This is the time for them to indulge in new activities, research, explore and experiment with skills that will groom their personalities. During this break:-

1. Do not let the child waste the morning hours. Teach them to enjoy an afternoon nap.
2. Encourage your children to read story/comic books during the long afternoons to develop their interest in reading and improve their reading skills.
3. In today's critical situation when the whole world is fighting against Corona Pandemic, immunity of the body is the chief concern to fight with such a deadly disease. Teach your children to prepare/cook their own healthy snacks, salads, lemonades, shakes at home to increase their immunity.
4. Avoid giving chocolates, jellies, chips, cakes, aerated drinks and fried snacks to your child.
5. Encourage them to do little household chores themselves - lay the table before meals and clean them after meals, refill water bottles, water the plants, dust the furniture, put utensils in the sink, fold the clothes, arrange their cupboards, clothes, bookshelves etc.
6. Spend some quality time with your child every day. Talk about your own childhood, home, friends, relationships, dreams, God, good habits, patriotism, honesty, truth, respect for women, love for all creatures etc.
7. **Do not do your child's holiday homework.** Let the child engage in this wonderful and exciting learning experience himself/herself.

4. **Scientific Word Train-** Make a word train using the words related to science that have come across you during this lockdown.

(COMPILE YOUR GENERAL SCIENCE HOLIDAY HOMEWORK IN FOLDER)

Social Science

- COVID-19 has reshaped our world. It has remoulded the safety norms. The first aid kit which we used to have earlier readily available with us has to be changed as per the current scenario. So, its time to take precautions and **design your own Personal Protective Equipment Kit (PPE Kit)** which will be a must to carry in the times to come. What all will be there in your kit??

- Spreading awareness among the people is the need of the hour and you need to play your bit. So, design a Traffic Light highlighting the DOs and DON'Ts to be kept in mind in times of CORONA PANDEMIC. (For e.g., Red colour to indicate the don'ts, Orange colour indicating the things which are less likely to put you in danger and green light highlighting the dos). The traffic light should then be presented in the form of a pamphlet / leaflet. (Use pictures, Symbols etc.)

- Design an indoor game of your choice to play with your family and spend quality time with them. It can be on any of the following themes.

- Means of transportation (e.g. travel game, transportation bingo)
- Means of communication
- Early man
- Occupations

नमस्ते

नमस्कार करना हमारी संस्कृति का प्रतीक है। नमस्कार का अर्थ है सभी मनुष्यों के हृदय में दैविये चेतना और प्रकाश। नमस्कार शब्द की उत्पत्ति संस्कृत केनमस् शब्द से हुई है, जिसका अर्थ होता है, एक आत्मा का दूसरी आत्मा से आभार प्रकट करना। इसी कारण जब इंसान एक दूसरे से मिलता है और विदाई लेता है तो लोग नमस्ते, नमस्कार या प्रणाम करते हैं।

आज के समय में, कोरोना जैसी महामारी केवलते, हम सब को आपस में मिलते समय एक उचित दूरी बना कर रखना आवश्यक है। ऐसे समय में किसी भी व्यक्ति से हाथ मिलाना या गले मिलना बीमारी को न्योता देने जैसा है। इसी कारण पूरे संसार ने हमारी प्राचीन परंपरा " नमस्ते " (अभिवादन) को अपनाने का निर्णय किया। नमस्ते शब्द अब पूरे संसार में प्रचलित हो गया है। संसार के अधिकांश स्थानों पर इसका अर्थ और तात्पर्य समझा जाता है और प्रयोग भी किया जाता है।
