DAV University, Jalandhar is promoted by DAV College Managing Committee which is India's single largest non-government educational organization managing more than 900 institutions in the country. It has been providing students with an excellent education in modern academic environment.

DAV University traces its roots to the legacy that has been reforming and redefining India's educational scenario for 130 years.

The setting up of the University is the culmination of the movement that started with the founding of the first DAV School in Lahore on June 1, 1886 to propagate the ideals of the religious and social reformer Swami Dayanand Saraswati.

The University is spread across an area of about 72 acres and it provides an

ideal ambience for pursuing professional courses and ensuring all-round development of students. The campus is well equipped with modern infrastructure including state-of-the-art buildings, round-the-clock power backup and canteens.

The University has been established by a Legislative Act of the Punjab Government and is duly recognized by the University Grants Commission (UGC).

It is a multi-disciplinary institution, home to faculties

of engineering, languages, natural sciences including physical and life sciences.

Library

DAV University has a state-of-the-art library & related infrastructure. The library is well stocked with reference books, research journals and e-resources published by noted publishers including Oxford Press, McGraw-Hill, Pearson, Wiley Eastern & Cambridge.

It has subscribed to several National and International Off and Online journals.

E-Resources

The University has Delnet access for providing world-class e-resources to the students which help them keep pace with global academic innovations.

Modern Hostels

The University has set up secure hostels for boys and girls equipped with modern amenities including recreation rooms and indoor-game areas. They can opt for air-conditioners in their rooms by paying additional charges.

Security

Security of the students has been the utmost priority of the DAV University. The students and staff get access to the campus after the validation of their identity.

Science/ Engineering Labs

The University is providing practical training to students of Botany, Zoology, Physics, Chemistry, Biotechnology and Microbiology. Like-wise for students pursuing their engineering programmes the University has set-up well-equipped workshops and labs which add value to the classroom teaching.

Agricultural Farms

Agriculture being the most popular programme with the students, the University has provided more than 15 acres of farm lands for giving actual field-lab-to-land-experience to students.

Internships

The University has set up a separate Cell to facilitate internship of the students in MNCs and government organizations in India and abroad.

Faculty and Visiting Professionals

DAV University has employed qualified and experienced faculty. A majority of teachers is Ph D degree holder. The University also provides a unique experience of learning from professionals and experts who visit the campus frequently.

Alumni

Icons like Bhagat Singh & Lala Lajpat Rai, Astronaut Kalpana Chawla, Nobel Laureate Hargobind Khorana, political figures Dr Manmohan Singh & Atal Behari Vajpayee, cricketers Yuvraj Singh & Mahendera Dhoni, actor Shahrukh Khan and Director Vidhu Vinod Chopra are DAV products.

Sports and Co-curricular:

DAV University has large playgrounds and facilities for several indoor and outdoor sports activities. Students can exhibit talent through extra-curricular activities at events like Spectrum and Techfest.

Transport Facility:

The University has introduced comfortable buses for ferrying students from Jalandhar and all major towns in the proximity including Ludhiana and Hoshiarpur.

Research Projects

The University has created a research ambience to encourage creativity in students and faculty. Seven research projects funded by DST-SERB, New Delhi are running successfully. More than 15 projects have been submitted to various funding agencies like DST and CSIR.
