

ANNUAL REPORT - 2023

We at DAVCPS, are leaving no stone unturned to nurture the young learners with tender care and focused efforts, preparing them for the future.

- ‘The key to success is focus on goals not obstacles.’ We have embarked on the new journey with a **new mission, vision and motto – ‘Aspire to Inspire’**. We have our mission set to be achieved by the year 2028.

As they say , planning proves futile without action so we are making every effort to turn our vision into reality . Multifarious activities, aiming at the all-round development of the students, are being planned and organised to bring the mission into action.

ATL ACHIEVEMENTS

****We aim at FOSTERING SKILL -BASED AND RESEARCH-BASED LEARNING AMONG STUDENTS. Our school is the hub of ATL activities ,STEM based and scientific learning. We are glad that our ATL TEAM has made its mark in numerous prestigious competitions.**

essential financial knowledge and skills, preparing them for a financially secure future. Students and teachers are enthusiastically participating in this course.

And We are proud to share that we are featured in leaderboard shared by UNICEF.

Our students have excelled brilliantly in various competitive exams..we are glad to share that ANNIE VASHISHT and TANISHKA of class XII have cracked the NEET EXAM with impressive ranks

ANUJANSH and VANSI SHANDILYA have got through the JEE MAINS exam with excellent results ...

- Our students are proving their mettle by participating in different Olympiads. Bringing home glory, our students excelled magnificently in the PRESTIGIOUS SCIENCE OLYMPIAD organised by DAVCMC. Ankit raj and Abhishek Gupta, the students of class VIII have scored more than 80% marks in this Olympiad.

****We are leaving no stone unturned to STIMULATE AVID READERSHIP AND COMMUNICATION SKILLS AMONG STUDENTS.**

We have been promoting book reading with all zest and zeal. Students enthusiastically participated in different activities on the occasion of **National reading day on**

June 19, 2023. Such activities are organised from time to time to promote the readership skills.

School has revived the **NIE subscription** to acquaint the students with the importance of newspaper as a resource to sharpen the acumen.

The school keeps organizing various **intra and inter school activities ,class assemblies and NO BAG DAYS** to groom the communication skills of the learners and to help them learn beyond the text books.

Promotion of **FREE EXPRESSION** is the key to develop confidence among the students thereby making them progressive and independent individuals.

****We are all committed to PROVIDE THE LEARNING ENVIRONMENT TO PROMOTE THE SDGS TO GROOM STUDENTS INTO SOCIALLY AND ENVIRONMENTALLY RESPONSIBLE CITIZENS.**

The school has very proactive – **INTERACT CLUB and ECO CLUB**. We keep organising social welfare campaigns and drives to inculcate social and environmental values in the learners. **The Student Parliament, Youth Sabhas, MUN programmes, Humanity FIRST Campaign** are some of the initiatives being taken by the school in the direction of churning out responsible citizens.

We are glad to share that our interact club in its very first year of installation has been honoured with -the Elite Club Award, which is a feather in the school's cap!

Students of classes XI D and XII D participated in MOOT COURT competition organized by the Criminal Justice Research Cell of The University School of Law and Legal Studies of Guru Gobind Singh Indraprastha University , Dwarka in collaboration with the University of Pretoria , South Africa , Kathmandu School of Law and Global Campus for Human Rights .

The MOOT COURT competition provided a platform to the students to learn about the legal system and to develop their critical thinking , research and advocacy skills. It also helped to bridge the gap between school students and Law students .

****We have been making earnest efforts to PROMOTE GLOBAL-MINDEDNESS, PEACE AND FRIENDSHIP THROUGH EXCHANGE PROGRAMMES by INTERACTION WITH ORGANIZATIONS AND UNIVERSITIES FROM AROUND THE WORLD.**

The School under the **Literature Conclave programme launched by DAVCAE**, keeps organising various intra and inter school events providing a platform to the students to exchange their views, learn interpersonal skills thereby making them the global citizens.

We have initiated **CULTURAL EXCHANGE PROGRAMME** with the reputed schools of **South Africa and Singapore** to provide international exposure to our students and promote global mindedness.

****WE ARE WORKING HARD TO BRIDGE ALL THE LEARNING GAPS BY 2023 AND GROOM THE STUDENTS TO EXCEL IN DIFFERENT FIELDS.**

The covid period saw the performance of the students getting impacted due to the learning gaps so it is our prime concern. We have launched – **VIDYADAAN programme under which special Remedial classes are organised** to help learners improve. Besides this interactive sessions, learning by doing sessions are organised for the students to bridge the learning gaps.

The all-round development of a learner cannot be assured just by academics. Sports and games play a vital role shaping a child's personality. The school under the **FIT INDIA CAMPAIGN celebrated INTERNATIONAL YOGA DAY** with great enthusiasm. We got excellent response to the **SPORTS CAMP** organised by the school during the summer break. Recently we have launched **FITNESS STRIDE- 30 days walk for wellness Challenge** for students and teachers with the aim of promoting the value of physical fitness.

****Besides these initiatives the school is taking every step to prepare the learners to be ready for the future**

We have launched **GYAN SE PEHCHAN programme** recently to acquaint the students with the latest happenings around them. This initiative not only aims to prepare them for the competitive exams after the school but also to enhance their general knowledge.

****Every year DAVCAE organizes Capacity Building Programmes , PERFORMANCE ENHANCEMENT PROGRAMME to equip the teachers with the latest innovation and strategies in the field of education. Apart from the above training programmes, the school has also been taking initiatives to organize in-house workshops and webinars for teachers for their all-round development. Our teachers have also been attending the workshops and webinars organized by CBSE, NCERT and other government organizations to stay ahead and updated.**

****We aim at providing **safe and secure learning environment** to the students wherein they learn and grow without fear. For that we have been taking regular initiatives . Roof net was installed at the junior wing of the school to ensure the safety and security of the students from the fall of the hefty leaves of the trees in the school garden.**

Natural calamities and disasters never knock the doors before they hit. The best way to deal with them is to be prepared. **To train the students and the teacher regular mock drills are organised in the school.**

In nut shell I'd say that each child is a unique flower. We like a careful landscaper must nurture them with love and care, providing them the best possible facilities, excellent learning experience and conducive environment. We are making the best possible efforts in this direction by taking the guidance from our guiding gurus. I am thankful to our torchbearers who are here today. Dr N.K Uberoi ji and Madam Chitra Nakra...for always showing us the right direction.

In the end I'd congratulate all the achievers who have made us proud and wish all the best to all students for their future endeavours.
